

Listening to Trauma and Opening Creative Space

Please join us for
A Clinical Presentation and Open House

Sunday, February 3, 2019
11:30am - 1pm
8209 Lilly Stone Drive, Bethesda, MD

Nancy Goodman will talk about how listening to trauma and
witnessing annihilation anxieties creates resilience

Analytic Candidates, Margaret Laracy & Kalia Ward, will present case vignettes,
followed by discussion with Nancy & the group

Candidates will describe how training helps with their clinical work

We offer:

Courses in psychoanalysis beginning in September
Multiple contemporary perspectives in psychoanalysis
Integrated child and adult training program
Option of two-year certificate program
