

Considering Analytic Training?

UPCOMING OPEN HOUSE

Wednesday, June 5, 2019

8:00-9:30pm

Upper East Side Location

Listen to a presentation by Marsha Levy-Warren, PhD, and Susan Roane, PhD, on the subject of “Thinking Developmentally”

Training with the Psychoanalytic Training Institute of the Contemporary Freudian Society features:

- 
- Courses in psychoanalysis beginning in January
 - Multiple contemporary perspectives in psychoanalysis
 - Available financial aid
 - Reduced-fee psychoanalysis
 - Free and low-cost supervision
 - Eligibility for International Psychoanalytical Association membership after graduation
 - Certification by SEVIS for international students

Please join us to learn about the programs our institute has to offer:

- Integrated Adult and Child Training Program: train to treat adults, adolescents and/or children
- License in Psychoanalysis Program for candidates with master’s degrees outside the field of mental health
- NYSED-approved continuing education program
- Anni Bergman Parent-Infant Training Program (co-sponsored with IPTAR)
